

The image features a minimalist, abstract design. A large, solid green diagonal band runs from the top-left towards the bottom-right. In the top-right corner, there is a green shape with a curved, organic edge. In the bottom-left corner, there is a green shape with a curved, organic edge. The background is white. In the bottom-right corner, the text 'RICE', 'SPICES', 'SEEDS &', and 'DRY FRUITS' is stacked vertically in a green, sans-serif font.

# RICE

Basmati & Non-Basmati Rice  
(White and Parboiled (Sella) Varieties)

Our non-GMO basmati and irri-6 rice are available in a choice of sizes, and to keep the carbon footprint to a minimum, we can provide you with biodegradable retail packs and jute bags for larger orders up to 50kg. This gives your green credentials a real boost and is a strong USP for your customers.
